

STEPS TO FILE A POLICE REPORT:

Step 1: Print off or have an electronic copy of the “vaccination mandate” for your school. I assume it states you cannot do “x” on campus/school if you are not vaccinated. Locate the person responsible for issuing the mandate. This is usually the Dean of the University, but double check.

Step 2: Look up the police non-emergency number in your area.

Step 3: Advise the dispatch that you would like to file a report for the following Criminal Code of Canada offences, which have been committed by the Dean (or whoever issued the order) as a result of issuing the mandate:

1. Uttering Threats

Uttering threats

- **264.1 (1)** Every one commits an offence who, in any manner, knowingly utters, conveys or causes any person to receive a threat
 - (a) to cause death or bodily harm to any person;

The threat in this case is that if you don’t get the vaccine (which can cause bodily harm or death), you cannot attend your school to work, or on campus, to study and obtain post-secondary education, play on the basketball team etc.

Punishment

- (2) Every one who commits an offence under paragraph (1)(a) is guilty of
- (a) an indictable offence and liable to imprisonment for a term not exceeding five years; or
 - (b) an offence punishable on summary conviction.

2. Assault

Assault

- **265 (1)** A person commits an assault when
 - (a) without the consent of another person, he applies force intentionally to that other person, directly or indirectly;
 - (b) he attempts or threatens, by an act or a gesture, to apply force to another person, if he has, or causes that other person to believe on reasonable grounds that he has, present ability to effect his purpose; or

Consent

(3) For the purposes of this section, no consent is obtained where the complainant submits or does not resist by reason of

- (a) the application of force to the complainant or to a person other than the complainant;

- (b) threats or fear of the application of force to the complainant or to a person other than the complainant;
- (c) fraud; or
- (d) the exercise of authority.

Section 265 (1) (a) would be used if someone got the vaccine or test, despite not wanting it (but having felt coerced as a result of the mandate that was issued by the Dean/Employer).

3. Extortion:

Extortion

346 (1) Every one commits extortion who, without reasonable justification or excuse and with intent to obtain anything, by **threats**, accusations, menaces or violence **induces or attempts to induce any person**, whether or not he is the person threatened, accused or menaced or to whom violence is shown, **to do anything or cause anything to be done**.

“Anything” would include vaccination status and proof of vaccination or intrusive testing
 “Threats” would include not being allowed to be on campus, in school, play sports, stay in residence etc.

4. Intimidation:

Intimidation

- **423 (1)** Every one is guilty of an indictable offence and liable to imprisonment for a term of not more than five years or is guilty of an offence punishable on summary conviction who, **wrongfully and without lawful authority, for the purpose of compelling another person to abstain from doing anything that he or she has a lawful right to do, or to do anything that he or she has a lawful right to abstain from doing**,
 - (a) uses violence or threats of violence to that person or their intimate partner or children, or injures the person’s property;
 - (b) **intimidates or attempts to intimidate that person** or a relative of that person **by threats** that, in Canada or elsewhere, **violence or other injury will be done to or punishment inflicted on him or her** or a relative of his or hers, or that the property of any of them will be damaged;
 - (c) persistently follows that person;
 - (d) hides any tools, clothes or other property owned or used by that person, or deprives him or her of them or hinders him or her in the use of them;
 - (e) with one or more other persons, follows that person, in a disorderly manner, on a highway;

- (f) besets or watches the place where that person resides, works, carries on business or happens to be; or
- (g) blocks or obstructs a highway.

The mandate is the “threat” and the “other injury” is the vaccine, as it has been shown to cause bodily harm and even death in some people.

If the school is requiring anyone to undergo any PCR test, then they would also be in contravention of Bill S-201, Statutes of Canada 2017: “**An Act to prohibit and prevent genetic discrimination**” and the police should be charging individuals.

The PCR test is a form of genetic test and also would fall under the definition of a medical procedure. The following legislation also applies: Bill S-201, Statutes of Canada 2017: “An Act to prohibit and prevent genetic discrimination”. In it, it clearly defines “genetic test”: **genetic test** means a test that analyzes DNA, RNA or chromosomes for purposes such as the prediction of disease or vertical transmission risks, or monitoring, diagnosis or prognosis. (*test génétique*) Furthermore, in this legislation it also outlines Prohibitions:

Prohibitions

Genetic test

3 (1) It is prohibited for any person to require an individual to undergo a genetic test as a condition of

- (a) providing goods or services to that individual;
- (b) entering into or continuing a contract or agreement with that individual; or
- (c) offering or continuing specific terms or conditions in a contract or agreement with that individual.

This legislation also outlines “Offences and Punishment”

Contravention of sections 3 to 5

7 Every person who contravenes any of sections 3 to 5 is guilty of an offence and is liable

- (a) on conviction on indictment, to a fine not exceeding \$1,000,000 or to imprisonment for a term not exceeding five years, or to both; or
- (b) on summary conviction, to a fine not exceeding \$300,000 or to imprisonment for a term not exceeding twelve months, or to both.

Step 4: If the attending officer refuses to complete a report, ask to speak to their supervisor (Sergeant). **GET ALL THE NAMES AND BADGE NUMBERS AND RECORD THE INTERACTION IF POSSIBLE.** If the Sergeant refuses ask to speak to the officer in charge of the station. If they also refuse, put in an OIPRD complaint, indicating that the above offences have been committed, however the attending refused to take the report. [Office of the Independent Police Review Director \(oiprd.on.ca\)](https://oiprd.on.ca). Officers have a duty to report and investigate criminal offences and other federal offences. Refusal to do so, could be considered neglect of duty.

If they do take a report, give them a copy of the vaccine mandate to scan into the report and get the report number and follow it along in the investigative process.
