-
- **You are not permitted on campus and are not able to partake in your upcoming in-person activities until you complete the Campus Check-in proof of vaccination form.**

SUBMIT YOUR PROOF

This is your second reminder that you have not yet completed the Campus Check-In vaccination form. You are not permitted to partake in your upcoming in-person activities on campus until this is completed.

The vaccination form is quick and easy to complete. Your personal information will be kept confidential in compliance with statutory privacy requirements and will only be shared with health and safety staff as required to protect our community.

We will provide accommodations for unique cases where individuals cannot be vaccinated for medical reasons or protected human rights grounds. To apply for an accommodation, please follow the prompts in the proof of vaccination form.

You can submit your proof of vaccination or start the process for accommodation today by visiting [Campus Check-In](#).

- If you are a student living in Campus Housing residences or AFIW residences that have already supplied proof of vaccination or sought an accommodation you do not need to resubmit your information.

To submit your proof of vaccination, you can upload your vaccination record or receipt. If you were vaccinated in Ontario, copies of your receipts are available on the [Government of Ontario website](#).

If you were vaccinated elsewhere in Canada copies of your receipts are available on the relevant provincial website that you can find links to on the [Government of Canada website](#).

If you were vaccinated outside of Canada, proof can include vaccination receipts or letters from physicians, hospitals, or government agencies that include the date you received the vaccine, the name of the vaccine and the number of valid doses you have received.

To apply for an accommodation, you can follow the prompts in the [proof of vaccination form](#).

SUBMIT YOUR PROOF

More information is available on the [COVID-19 information website](#).

COVID-19 [testing](#), [rapid screening](#) and [vaccination](#) is available through Campus Wellness for all University of Waterloo students, employees, postdocs and their family members.

If you are struggling with your mental health during these changing times, reach out for support through [Human Resources](#), [Occupational Health](#), [Here247](#) and

Wellness Together Canada. Ongoing employees can access supports through Homewood Health, the University's Employee and Family Assistance Program partner or at 1-800-663-1142.
